TENOROMANTIC

**N** Na de orkestrale inleiding voert de tenor-sax ons langs de melodische vloedlijn van een harmonieuze zee. De solist is een eenzame, late wandelaar in de bijna ondergaande zon. Af en toe staat hij stil om te luisteren naar het getuid van de, naar hij hoopt, eeuwig levende branding. Het is een romantische, beschouwende avond aan het Nederlandse strand.

TENOROMANTIC

**F** Après une brève introduction orchestrale, le saxophone ténor nous chante sa mélodie, ligne interocéanique d'une mer harmonique. Le soliste est un promeneur solitaire, errant sous la lumière du soleil couchant. A de temps en temps il s'arrête pour écouter le bruit des vagues du ressac qu'il espère éternel. Quelle soirée romantique de long d'une plage néerlandaise.

TENOROMANTIC

**D** Nach der orchestraalen Einleitung führt uns das Tenorsaxophon an der melodischen Wasserlinie eines Meeres der Harmonie entlang. Der Solist ist ein einsamer, später Wanderer, der der untergehenden Sonne entgegengeht. Ab und zu bleibt er stehen, um der - so hofft er - ewig lebendigen Brandung zu lauschen. Es ist ein romantischer, beschaulicher Abend am niederländischen Strand.

TENOROMANTIC

**E** After an orchestral introduction the tenorsaxophone leads us along a melodic tide-line of an harmonic sea. The soloist is a lonely late wanderer in the slowly sinking sun. Every now and then he stops to listen to the sound of what he is hoping for - the ever lasting surf. It is a romantic, contemplative night on the beach in the Netherlands.
